Compliance Guidance

A plain-English reference for your trustees and volunteers, prepared by Integrity Nexus Ltd using the Charity Compliance Engine

Prepared for: **Charity 501 (SC501001)**

Date: **18 October 2026**

This Compliance Guidance pack collects the plain-English guidance discussed during your Charity Compliance Engine session, organised by area and kept for your trustees and volunteers to refer back to. It explains why each area matters for a charity like yours, what good practice looks like at your scale, and the common pitfalls to avoid. It is a learning and reference resource: it sits alongside your Governance Compliance Review (which records decisions and next steps) and your draft policy documents (which you adopt).
